

PURSUE YOUR PASSION

WHY COLONY CAPITAL?

At Colony Capital, we aim for excellence in all we do and our talented team is critical to our success. By joining our team, you will have an opportunity to work with some of the industry's most experienced real estate veterans and investors from around the world. We are always looking for talented, dynamic team players to work in every part of our business, across our global network.

U.S. EMPLOYEE BENEFITS

We strive to reward our employees for their hard work and dedication. As such, all U.S. full time employees are eligible for the following and more.

Paid holidays, vacation,
personal & sick days

Competitive medical,
dental & vision plans

Company match on employee
401k contributions

Charitable gift
matching

Life & disability
insurance

Student loan
paydown assistance

Flexible spending accounts
& life assistance

MENTORING PROGRAM & LEADERSHIP/MANAGEMENT DEVELOPMENT

Here at Colony Capital, we are focused on helping our employees plan for their future. Our Mentoring and Leadership/Management Development pilot programs provide unique opportunities for leaders to develop their skills by connecting with seasoned professionals. By participating in these programs, internal leaders provide key tools and goals to improve management capabilities and enhance employees' personal and professional capabilities.
